Shuffleboard Lit. - continued

Continued from page 7 ... other authors, and comparisons with other sports such as golf, all provide the reader with a broadly based examination of the mental and emotional aspects of our game. The "fun" aspects of shuffleboard are also included via word-search puzzles etc., and many whimsical quotes and references.

That's all we have room for in this 2010 issue of *The Ontario Shuffler*. Did you enjoy it? Your opinion counts, so please tell one of your OSA Directors listed opposite.
