**MESSAGE**

First let me thank you for electing me as President of Ontario Shuffleboard Association. I know that I have an excellent Board to help me in the coming year and looking forward to the challenge of getting more clubs involved as well as increasing our membership.

Shuffleboard has grown in these past few years: Amateurs had an increase of 2.5% while Experts increased by 17% based on 2009 & 2010 levels. The number of clubs listed on our web site is 18 and we are hoping to increase this number as well.

The above information is on our web site [www.theontarioshuffler.org](http://www.theontarioshuffler.org) and I would encourage you to visit.

I would also like to say "Thank You" to outgoing shuffleboard executives Henry Van Dorp (President), Ruth Tate (Treasurer), and Ross Pipher (Director), for all their dedication in helping our organization grow.

Wishing all our Shuffleboard friends heading south for the winter a safe and happy journey- Yours Sincerely,  
**George O'Reilly**

The paragraph titled "THE MOST IMPORTANT SHOT IN SHUFFLEBOARD" can be found on page 40 of **Shuffleboard Strategy**, by none other than **Glen Peltier**. This great book for the beginner is also a good refresher, and is still being sold.
